

Partners Page

Website Content and Media Placement Document

Document Purpose

[INTERNAL INSTRUCTION — DO NOT DISPLAY]

This page introduces the Classess® partnership ecosystem and helps visitors identify the partnership model most relevant to them.

The page must clearly separate four partnership models:

1. Strategic Growth Partners
2. Academic & Content Partners
3. Technology & Integration Partners
4. Affiliate & Referral Partners

The Affiliate & Referral Partner section should receive stronger promotional visibility, but it must not overshadow the other partnership models.

All text written inside square brackets is an internal instruction and must not appear on the live website.

Page Navigation Behaviour

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

The Partners page is a common website page.

Maintain the visitor's currently selected Student, Teacher, or Institution navigation.

Keep the role switcher visible.

Add an in-page partnership selector that allows visitors to move directly to the relevant partnership section.

Section 1: Partners Hero

[SECTION PURPOSE — DO NOT DISPLAY]

Introduce Classess® as an ecosystem that grows through strategic, academic, technology, and referral partnerships.

[WEBSITE EYEBROW]

Partner with Classess®

[WEBSITE HEADING]

Build value. Expand impact. Grow with Classess®.

[WEBSITE COPY]

Classess® works with entrepreneurs, education leaders, academic experts, publishers, technology companies, consultants, and community connectors who want to bring better academic intelligence to more learners and institutions.

Whether you want to build a market, strengthen your existing services, integrate your technology, or earn through trusted introductions, there is a partnership model designed for you.

[SUPPORTING LINE]

The strongest education ecosystems are built together.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **PARTNERS-M01**

Recommended media type: **Short ecosystem partnership animation**

Alternative media type: **Static partnership-network illustration**

Placement: Right side of the hero on desktop and below the website copy on mobile.

The media should show Classess® connected to four partner groups:

- Growth
- Academic and content
- Technology
- Affiliate and referral

Do not use a generic handshake photograph as the main hero visual.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media PARTNERS-M01 will be inserted here.

Section 2: Partnership Model Selector

[SECTION PURPOSE — DO NOT DISPLAY]

Help visitors immediately understand which partnership model is relevant to them.

[WEBSITE HEADING]

Choose how you would like to partner.

[WEBSITE COPY]

Each partnership model is designed around a different capability, network, or business opportunity.

Section 3: Strategic Growth Partners

[SECTION PURPOSE — DO NOT DISPLAY]

Present the opportunity for experienced individuals or organisations that can develop markets and institutional relationships.

[WEBSITE HEADING]

Build the Classess® presence in your market.

[WEBSITE COPY]

Strategic Growth Partners work closely with Classess® to identify opportunities, build institutional relationships, support demonstrations, coordinate adoption, and expand the platform within an agreed geography, segment, or education network.

This model is suitable for partners who understand education markets and can build long-term institutional relationships.

[WEBSITE SUBHEADING]

Who this partnership is for

[VISIBLE PARTNER TYPES]

- Education business leaders
- Regional education consultants
- Institutional sales organisations
- School and college solution providers
- Market-development professionals
- Education franchise or distribution networks
- Organisations with strong school, college, or government relationships

[WEBSITE SUBHEADING]

How partners create value

[VISIBLE VALUE POINTS]

- Introduce Classess® to qualified institutions
- Develop local market opportunities
- Coordinate demonstrations and leadership discussions
- Support commercial negotiations
- Assist with local adoption and stakeholder engagement
- Build long-term regional or segment growth
- Share market insight with the Classess® team

[WEBSITE SUBHEADING]

What Classess® provides

[VISIBLE SUPPORT POINTS]

- Product and solution training
- Demonstration support
- Sales and marketing material
- Proposal and commercial support
- Product documentation
- Implementation coordination
- Partner performance visibility
- Ongoing product and market updates

[HIGHLIGHT LINE]

Build a market—not merely a transaction.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **PARTNERS-M03**

Recommended media type: **Market-development journey animation**

Alternative media type: **Growth-partnership workflow illustration**

Placement: Beside the “How partners create value” content.

The media should show:

Opportunity → Introduction → Demonstration → Proposal → Adoption → Expansion

Do not show guaranteed sales or revenue.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media PARTNERS-M03 will be inserted here.

Section 4: Academic & Content Partners

[SECTION PURPOSE — DO NOT DISPLAY]

Show how academic experts, consultants, publishers, and content providers can strengthen their existing offerings through Classess®.

[WEBSITE HEADING]

Add academic intelligence to what you already provide.

[WEBSITE COPY]

Academic and content partners can combine their expertise, services, curriculum, books, assessments, or learning material with Classess® to create a more complete and valuable education solution.

The objective is not to replace the partner's existing work.

It is to make that work more personalised, measurable, interactive, and outcome-oriented.

[WEBSITE SUBHEADING]

For academic consultants and education service providers

[WEBSITE COPY]

Academic consultants can include Classess® within their school-improvement, curriculum, teacher-development, assessment, or academic-transformation services.

For example, a consultant can combine:

- Academic audits
- Curriculum planning

- Teacher training
- Assessment frameworks
- School improvement programmes
- Classess® academic intelligence
- Learning-gap and progress visibility

[VISIBLE RESULT]

The institution receives both expert guidance and a digital system that helps implement, monitor, and sustain the programme.

[WEBSITE SUBHEADING]

For publishers

[WEBSITE COPY]

Publishers can bundle Classess® with textbooks, workbooks, assessment books, or learning packages.

A printed book can become part of a connected learning experience that includes:

- Digital learning support
- Chapter-level practice
- Assessments and quizzes
- AI-supported explanations
- Teacher resources
- Student progress visibility
- Revision and examination preparation

[VISIBLE RESULT]

The publisher moves from selling a book to offering a more complete learning package.

[WEBSITE SUBHEADING]

For content creators and curriculum organisations

[WEBSITE COPY]

Content providers can publish, organise, license, and deliver learning material through Classess® according to institution, curriculum, grade, subject, topic, title, and approved duration.

Content may include:

- Digital lessons
- Videos
- Interactive content
- Three-dimensional or 360-degree learning material
- Question banks
- Worksheets
- Assessments
- Teacher guides
- Examination preparation material

[HIGHLIGHT LINE]

Your academic expertise. Our intelligence layer. A stronger learning solution.

[BUTTON]

Become an Academic or Content Partner

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **PARTNERS-M04**

Recommended media type: **Three-use-case academic partnership animation**

Alternative media type: **Three-panel academic-partnership illustration**

Placement: Between the publisher and content-provider subsections.

The media should show three use cases:

1. Consultant + Classess®
2. Publisher + Book + Classess®
3. Content Provider + Digital Learning Library

The media must show the partner brand remaining visible alongside Classess®.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media PARTNERS-M04 will be inserted here.

Section 5: Technology & Integration Partners

[SECTION PURPOSE — DO NOT DISPLAY]

Present Classess® as an academic intelligence layer that can connect with complementary education and enterprise technologies.

[WEBSITE HEADING]

Connect technology around a shared academic context.

[WEBSITE COPY]

Classess® works with technology providers that want to make education systems more connected, intelligent, and useful for students, teachers, and institutions.

Technology partnerships may include product integrations, data exchange, embedded capabilities, joint solutions, marketplace connections, or implementation collaboration.

[WEBSITE SUBHEADING]

Potential technology partners

[VISIBLE PARTNER TYPES]

- Learning Management Systems
- Student Information Systems
- ERP platforms
- Assessment platforms
- Content platforms
- Communication systems
- Video and virtual-classroom providers
- Identity and authentication providers
- Payment and financial platforms
- Data, analytics, and reporting systems
- AI and educational technology providers

[WEBSITE SUBHEADING]

Possible partnership models

[VISIBLE MODEL POINTS]

- API-based integration
- MCP-based tool and data connectivity
- Single sign-on
- Embedded Classess® capabilities
- Joint product offerings
- Shared institutional implementation
- Content and data interoperability

- Marketplace listing
- Referral and co-selling arrangements

[WEBSITE COPY]

Every integration should have a clear academic purpose and appropriate data permissions.

The goal is not to connect systems simply because integration is possible. It is to help institutions reduce fragmentation and make better academic decisions.

[HIGHLIGHT LINE]

Integration should create value—not another layer of complexity.

[BUTTON]

Discuss a Technology Partnership

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **PARTNERS-M05**

Recommended media type: **Integration ecosystem animation**

Alternative media type: **System-connection architecture illustration**

Placement: Beside the possible partnership models.

The media should show existing platforms connecting with Classess® as an academic intelligence layer.

Only approved or technically supported platform names and logos may be displayed.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media PARTNERS-M05 will be inserted here.

Section 6: Affiliate & Referral Program

[SECTION PURPOSE — DO NOT DISPLAY]

Present a high-conversion, low-entry partnership opportunity for individuals and organisations with trusted education networks.

[WEBSITE EYEBROW]

Classess® Affiliate & Referral Program

[WEBSITE HEADING]

Your network can become a meaningful growth opportunity.

[WEBSITE COPY]

Introduce qualified schools, colleges, education groups, NGOs, CSR initiatives, districts, and education organisations to Classess®.

When an approved referral becomes a successful customer, eligible partners receive performance-linked commissions according to the applicable affiliate or referral agreement.

[CAMPAIGN LINE]

Your network is your net worth.

[WEBSITE EARNING STATEMENT]

Build the potential to earn ₹10 lakh or more in a quarter.

[WEBSITE COPY]

There is no requirement to build a product, maintain inventory, open a franchise location, or make an upfront product investment.

Your role is to use your trusted network to create qualified introductions and support the opportunity where required.

[COMPLIANCE LINE]

Earnings are not guaranteed. Actual commissions depend on qualified conversions, contract value, collection of customer payments, territory, participation, and the applicable partner agreement.

[PRIMARY BUTTON]

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **PARTNERS-M06**

Recommended media type: **Affiliate opportunity animation**

Alternative media type: **Referral-to-commission journey illustration**

Placement: Beside the earning statement.

The media should show:

Trusted Network → Qualified Introduction → Demo → Customer Conversion → Payment Received → Partner Commission

Do not display a guaranteed earnings counter.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media PARTNERS-M06 will be inserted here.

Section 7: Who Can Become an Affiliate Partner

[SECTION PURPOSE — DO NOT DISPLAY]

Show that the affiliate opportunity is open to different individuals and organisations with relevant relationships.

[WEBSITE HEADING]

You may already know the institutions we want to reach.

[VISIBLE PARTNER CARDS]

Educators and School Leaders

Professionals with trusted relationships across schools, colleges, education groups, and academic communities.

Education Consultants

Consultants already advising institutions on curriculum, technology, admissions, training, assessment, or school improvement.

Sales and Business Professionals

Professionals with experience in institutional relationships, business development, and education solutions.

Community and Network Leaders

Individuals connected to school associations, education networks, alumni communities, foundations, NGOs, or local leadership groups.

Technology and Service Providers

Companies already serving institutions through ERP, LMS, content, training, finance, communication, or related services.

Content Creators and Education Influencers

Individuals with a relevant and credible audience among educators, parents, institutions, or education decision-makers.

[HIGHLIGHT LINE]

You do not need to become a full-time salesperson. You need to make the right introduction.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **PARTNERS-M07**

Recommended media type: **Partner-profile carousel**

Alternative media type: **Six illustrated affiliate-profile cards**

Placement: Below the partner cards.

The carousel should not use celebrity or influencer imagery unless officially approved.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media PARTNERS-M07 will be inserted here.

Section 9: Why Partner with Classess®

[SECTION PURPOSE — DO NOT DISPLAY]

Provide a common value proposition across all four partnership models.

[WEBSITE HEADING]

Grow with a platform designed for the future of education.

[VALUE CARD 1 TITLE]

A growing education ecosystem

[VALUE CARD 1 COPY]

Participate in an expanding ecosystem covering academic intelligence, student learning, teacher support, institutional operations, communication, admissions, finance, and content.

[VALUE CARD 2 TITLE]

Multiple ways to create value

[VALUE CARD 2 COPY]

Build markets, strengthen services, bundle content, integrate technology, or introduce qualified customers.

[VALUE CARD 3 TITLE]

Product and team support

[VALUE CARD 3 COPY]

Receive appropriate training, demonstrations, content, documentation, and commercial support according to the partnership model.

[VALUE CARD 4 TITLE]

Long-term opportunity

[VALUE CARD 4 COPY]

Build recurring institutional relationships rather than depending only on one-time transactions.

[VALUE CARD 5 TITLE]

Education with measurable purpose

[VALUE CARD 5 COPY]

Support a platform designed to help students learn better, teachers work more effectively, and institutions make stronger academic decisions.

[VALUE CARD 6 TITLE]

Transparent partnership structure

[VALUE CARD 6 COPY]

Operate through defined responsibilities, approved opportunities, commercial terms, and partner agreements.

[HIGHLIGHT LINE]

Create commercial value while helping education move from disconnected activity to academic intelligence.

[MEDIA PLACEMENT — DO NOT DISPLAY]

No major media asset is required.

Use simple icons or lightweight illustrations where appropriate.

Section 11: Frequently Asked Questions

[WEBSITE HEADING]

Frequently Asked Questions

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

Use an accordion layout.

Display six questions initially.

Additional questions can appear after selecting “View More Questions.”

[FAQ QUESTION]

Is there a fee to become a Classess® partner?

[FAQ ANSWER]

The Affiliate & Referral Program does not require an upfront franchise, inventory, or product investment. Other partnership models may involve agreed responsibilities, implementation costs, resource commitments, or commercial terms depending on the nature of the partnership.

[FAQ QUESTION]

Is affiliate income guaranteed?

[FAQ ANSWER]

No. Earnings depend on qualified referrals, successful customer conversions, contract value, receipt of customer payments, programme rules, and the applicable partner agreement.

[FAQ QUESTION]

When is an affiliate commission payable?

[FAQ ANSWER]

Commission becomes payable only when the referral meets the programme eligibility requirements, converts into an approved customer, and the applicable customer payment has been received.

[FAQ QUESTION]

Can academic consultants bundle Classess® with their services?

[FAQ ANSWER]

Yes. Approved consultants may combine Classess® with curriculum, teacher-development, assessment, academic-transformation, or school-improvement services under an agreed partnership structure.

[FAQ QUESTION]

Can publishers bundle Classess® with books?

[FAQ ANSWER]

Yes. Publishers may create approved packages that combine printed or digital books with learning support, practice, assessments, teacher resources, and student-progress visibility.

[FAQ QUESTION]

Can a technology company integrate with Classess®?

[FAQ ANSWER]

Yes. Technology partnerships may include APIs, MCP-based connectivity, single sign-on, embedded capabilities, data exchange, joint implementation, or co-selling, subject to technical review and an approved agreement.

[HIDDEN FAQ QUESTION]

Can I work in a specific city, state, region, or country?

[HIDDEN FAQ ANSWER]

Territory and market arrangements depend on the partnership model, existing partner coverage, opportunity size, and the final agreement.

[HIDDEN FAQ QUESTION]

Will Classess® support demonstrations and proposals?

[HIDDEN FAQ ANSWER]

Yes. The level of support depends on the partnership model and opportunity. It may include product training, demonstration support, proposal preparation, commercial discussions, and implementation coordination.

[HIDDEN FAQ QUESTION]

Can organisations join as affiliate partners?

[HIDDEN FAQ ANSWER]

Yes. Individuals, consultants, agencies, service providers, associations, and organisations may apply, subject to qualification and approval.

[HIDDEN FAQ QUESTION]

Can I promote Classess® publicly after joining?

[HIDDEN FAQ ANSWER]

Partners may use only approved Classess® messaging, logos, promotional materials, and claims according to the applicable brand and partner guidelines.
