

Common Website Footer

Content and Layout Document

Document Purpose

[INTERNAL INSTRUCTION — DO NOT DISPLAY]

This footer must remain common across:

- Student pages
- Teacher pages
- Institution pages
- Product pages
- Solution pages
- Resource pages
- Company pages
- Sign-in and registration pages

The footer should remain simple and should not dynamically change completely based on the selected stakeholder.

The primary footer structure remains the same. However, the call-to-action displayed above the footer may change according to whether the visitor is viewing the Student, Teacher, or Institution journey.

All content written inside square brackets is an internal instruction and must not appear on the live website.

Footer Call-to-Action Area

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

Place this call-to-action area immediately above the main footer.

The heading, supporting copy, and buttons should change according to the visitor's selected role.

Student Footer Call to Action

Brand Area

[WEBSITE LOGO]

Classess.com®

[WEBSITE DESCRIPTION]

An AI-native Academic Intelligence Platform that puts the student at the centre, empowers teachers with intelligent support, and helps institutions make better academic decisions.

[BRAND LINE]

Every student seen, supported, and learning at their best.

[OPTIONAL SOCIAL LINKS]

LinkedIn | YouTube | Instagram | Facebook

[DEVELOPER NOTE — DO NOT DISPLAY]

Only display active and officially maintained social-media accounts.

Do not show empty or inactive social-media icons.

Footer Column 1: For You

[FOOTER COLUMN HEADING]

For You

[FOOTER LINKS]

Students

Teachers

Institutions

Parents

Independent Tutors

Education Groups

Districts & Education Networks

[DEVELOPER LINKING NOTE — DO NOT DISPLAY]

Link the first three items to their respective dynamic website journeys.

Students → Student homepage

Teachers → Teacher homepage

Institutions → Institution homepage

The remaining links may lead to dedicated stakeholder pages as they are developed.

Footer Column 2: Platform

[FOOTER COLUMN HEADING]

Platform

[FOOTER LINKS]

Learning & Practice

Planning & Content Creation

Assessment & Evaluation

Student Insights

Academic Intelligence

Implementation & Integrations

Trust & Governance

[DEVELOPER LINKING NOTE — DO NOT DISPLAY]

These links should lead to the main platform-capability pages.

Do not create separate footer links for every small feature.

Related features should be grouped under the appropriate platform page.

Footer Column 3: Products

[FOOTER COLUMN HEADING]

Products

[PRIMARY VISIBLE LINKS]

Classess®
Vidya
Edmission
Feenance
Kaho.chat
PTM
View All Products

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

Keep only six product links visible in the main footer.

“View All Products” should open a complete Products and Solutions page containing all current and future products.

Products Listed on the “View All Products” Page

[INTERNAL PRODUCT LIST — DO NOT DISPLAY DIRECTLY IN THE MAIN FOOTER]

Core Academic Products

- Classess®

- Edsurance — Education Continuity Protection

Content and Academic Ecosystem

- Publisher Platform
- E-Content Platform
- Academic Consultant Platform
- School Blueprint
- Curriculum and Assessment Solutions

[DEVELOPER NOTE — DO NOT DISPLAY]

The complete product list must be maintained from one central content-management source.

When a new product is added, it should automatically appear on the “View All Products” page without requiring the common footer layout to be redesigned.

Footer Column 4: Solutions

[FOOTER COLUMN HEADING]

Solutions

[FOOTER LINKS]

Independent Institutions
Education Groups
NGO & CSR Programmes
Districts & Government
Publishers & Content Providers
Academic Consultants
Partners & Integrations

[DEVELOPER LINKING NOTE — DO NOT DISPLAY]

Each link should lead to a segment-specific solution page.

Do not mix product pages and solution pages.

Products explain what Classess.com® provides.

Solutions explain how those products work for a particular organisation or use case.

Footer Column 5: Company & Resources

[FOOTER COLUMN HEADING]

Company & Resources

[FOOTER LINKS]

About Classess®
Our Vision
Resources
Tutorials
Help Centre
Partners
Careers
Contact Us

[DEVELOPER NOTE — DO NOT DISPLAY]

Where necessary, divide this column visually into two small subgroups:

Company:

- About Classess®
- Our Vision
- Partners
- Careers
- Contact Us

Resources:

- Resources
- Tutorials
- Help Centre

On mobile, keep this as one accordion titled “Company & Resources.”

Contact and Demo Area

[DEVELOPER NOTE — DO NOT DISPLAY]

Place a small contact area below the main footer columns.

Keep it short. Do not display multiple departmental email addresses in the main footer.

Footer Behaviour

[INTERNAL INSTRUCTION — DO NOT DISPLAY]

1. The main footer should remain consistent across all website pages.
2. The call-to-action above the footer should change according to the selected stakeholder.
3. On product pages, use the call to action most relevant to that product.
4. On legal pages, the footer call-to-action area may be removed.
5. Do not show unrelated stakeholder buttons repeatedly inside the footer.
6. Maintain clear contrast between the footer and the main website content.
7. All links must have visible hover and keyboard-focus states.
8. External links must be clearly identified where appropriate.

9. Footer links must be managed through the content-management system.
10. Broken or unfinished pages should not be linked publicly.
11. Do not use “Coming Soon” for several products inside the common footer.
12. Products that are not yet publicly available should remain on the internal product list until launch approval.
13. The footer must remain readable without media, animations, or images.
14. No video or major media asset is required in the common footer.
15. Use lightweight icons only where they improve navigation.
