

Careers Page

Website Content and Media Placement Document

Document Purpose

[INTERNAL INSTRUCTION — DO NOT DISPLAY]

This is a common company page accessible from the footer and relevant recruitment campaigns.

The Careers page should:

- Introduce the purpose and working environment of Classess®
- Attract full-time professionals, graduates, and interns
- Explain expectations clearly
- Present current openings
- Explain the internship and early-career pathway
- Allow candidates to submit an application
- Avoid exaggerated workplace or career-growth claims

All text written inside square brackets is an internal instruction and must not appear on the live website.

Page Navigation Behaviour

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

Use the navigation associated with the visitor's currently selected journey.

Keep the role switcher available.

The Careers page content remains common across the Student, Teacher, and Institution journeys.

Section 1: Careers Hero

[SECTION PURPOSE — DO NOT DISPLAY]

Introduce Classess® as a mission-led company building the future of academic intelligence.

[WEBSITE EYEBROW]

Careers at Classess®

[WEBSITE HEADING]

Build technology that helps education work better.

[WEBSITE COPY]

Classess® brings together education, academic intelligence, responsible AI, product thinking, and real-world implementation.

We are looking for people who want to solve meaningful problems, learn quickly, take ownership, and help build products that support students, teachers, and institutions.

[PRIMARY BUTTON]

View Open Positions

[SECONDARY BUTTON]

Explore Internships

[SUPPORTING LINE]

Build from first principles. Learn through real responsibility. Create meaningful impact.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M01**

Recommended media type: **Short team-and-product brand video**

Alternative media type: **Authentic workplace photo collage**

Placement: Right side of the hero section on desktop and below the content on mobile.

The media should show:

- Product discussions
- Design or development work
- Team reviews

- Academic or product demonstrations
- Collaboration between technical and non-technical teams

Use authentic Classess® team media wherever possible.

Avoid generic stock images of people pretending to work.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M01 will be inserted here.

Section 2: Why Work at Classess®

[SECTION PURPOSE — DO NOT DISPLAY]

Explain the kind of opportunity Classess® offers without making unrealistic promises.

[WEBSITE HEADING]

Work on problems that matter.

[WEBSITE COPY]

Education has many disconnected systems, repetitive workflows, incomplete insights, and learning needs that remain unidentified.

At Classess®, teams work on products that help:

- Students learn with greater clarity
- Teachers reduce repetitive academic work
- Institutions understand learning more deeply
- Education systems use AI responsibly
- Academic information become more useful and actionable

[WEBSITE SUBHEADING]

What makes the work different

[CONTENT CARD 1 TITLE]

Real products

[CONTENT CARD 1 COPY]

Work on live products, actual user needs, and practical education challenges rather than only internal exercises.

[CONTENT CARD 2 TITLE]

Cross-functional learning

[CONTENT CARD 2 COPY]

Collaborate across product, technology, academic, design, sales, operations, and implementation teams.

[CONTENT CARD 3 TITLE]

Early responsibility

[CONTENT CARD 3 COPY]

People who demonstrate ability, consistency, and ownership can receive meaningful responsibility early.

[CONTENT CARD 4 TITLE]

Visible contribution

[CONTENT CARD 4 COPY]

Understand how your work contributes to the product, user experience, adoption, or academic outcome.

[HIGHLIGHT LINE]

Your role is not limited to completing tasks. It is about helping the product move forward.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M02**

Recommended media type: **Contribution-to-impact animation**

Alternative media type: **Four-card work-experience illustration**

Placement: Below the introductory content.

The media should show:

Problem → Team Contribution → Product Improvement → User Experience → Education Impact

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M02 will be inserted here.

Section 3: How We Work

[SECTION PURPOSE — DO NOT DISPLAY]

Set clear expectations about the working culture and avoid attracting candidates who expect a passive or highly structured environment.

[WEBSITE HEADING]

Ownership matters more than job titles.

[WEBSITE COPY]

Classess® is a growing product company. Priorities can move quickly, responsibilities can expand, and teams may work across functions to solve an important problem.

We value people who communicate clearly, ask useful questions, learn independently, and take responsibility for outcomes.

[VISIBLE PRINCIPLE 1]

Think from first principles

Understand the problem before reaching for an existing solution.

[VISIBLE PRINCIPLE 2]

Take ownership

Follow work through from understanding the requirement to completing, reviewing, and improving it.

[VISIBLE PRINCIPLE 3]

Communicate early

Share progress, risks, mistakes, and support needs before they become larger problems.

[VISIBLE PRINCIPLE 4]

Learn continuously

Be open to feedback, new tools, changing responsibilities, and unfamiliar challenges.

[VISIBLE PRINCIPLE 5]

Work with discipline

Consistency, reliability, documentation, and follow-through matter.

[VISIBLE PRINCIPLE 6]

Respect the mission

Student safety, academic accuracy, privacy, and responsible AI are part of everyone's work.

[HIGHLIGHT LINE]

We value learning ability, ownership, consistency, discipline, communication, collaboration, and contribution.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M03**

Recommended media type: **Six-principle animated framework**

Alternative media type: **Six simple workplace-principle cards**

Placement: Below the website copy.

Do not use playful culture clichés that do not reflect the actual workplace.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M03 will be inserted here.

Section 4: Teams and Career Areas

[SECTION PURPOSE — DO NOT DISPLAY]

Help candidates understand the types of opportunities available within Classess®.

[WEBSITE HEADING]

Find where you can contribute.

[CAREER AREA 1 TITLE]

Technology & Engineering

[CAREER AREA 1 COPY]

Build scalable, secure, intelligent products across web, mobile, backend, cloud, data, AI, machine learning, quality assurance, and platform infrastructure.

[EXAMPLE ROLES]

Software Engineering | AI & Machine Learning | Data | DevOps | Quality Assurance | Security

[CAREER AREA 2 TITLE]

Product, Design & Research

[CAREER AREA 2 COPY]

Understand user needs, shape product direction, simplify complex workflows, and create clear experiences for students, teachers, and institutions.

[EXAMPLE ROLES]

Product Management | UI/UX Design | Product Research | Business Analysis | Product Operations

[CAREER AREA 3 TITLE]

Academic & Learning Solutions

[CAREER AREA 3 COPY]

Help ensure that products, learning experiences, assessments, content, and academic workflows remain meaningful and educationally sound.

[EXAMPLE ROLES]

Academic Specialists | Curriculum Experts | Assessment Designers | Content Reviewers | Teacher Enablement

[CAREER AREA 4 TITLE]

Business, Growth & Partnerships

[CAREER AREA 4 COPY]

Build institutional relationships, communicate product value, support market development, create partnerships, and help Classess® reach more education organisations.

[EXAMPLE ROLES]

Business Development | Institutional Sales | Digital Marketing | Partnerships | Product Evangelism

[CAREER AREA 5 TITLE]

People, Finance & Operations

[CAREER AREA 5 COPY]

Support the systems, teams, processes, financial discipline, and operational execution required to build and scale the organisation.

[EXAMPLE ROLES]

Human Resources | Finance | Administration | Operations | Customer and Implementation Support

[BUTTON]

View Current Openings

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M04**

Recommended media type: **Interactive career-area selector**

Alternative media type: **Five illustrated career-category cards**

Placement: Above or beside the career-area descriptions.

Selecting a career area should filter the Current Openings section where applicable.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M04 will be inserted here.

Section 5: Internship and Early-Career Pathway

[SECTION PURPOSE — DO NOT DISPLAY]

Explain the Classess® internship structure clearly and attract candidates who are ready for full-time, hands-on learning.

[WEBSITE EYEBROW]

Internships and Early Careers

[WEBSITE HEADING]

Begin with real work—not simulated experience.

[WEBSITE COPY]

Classess® internships are designed for students and recent graduates who want hands-on exposure to live products, business challenges, and cross-functional teams.

Interns are expected to participate as active team members, learn quickly, communicate consistently, and take responsibility for assigned work.

[WEBSITE SUBHEADING]

The 3+3 internship pathway

[STAGE 1 TITLE]

First three months

[STAGE 1 COPY]

Full-time, hands-on learning through live projects, structured reporting, team reviews, practical assignments, and regular feedback.

[VISIBLE EVALUATION AREAS]

- Learning ability
- Ownership
- Consistency

- Discipline
- Communication
- Collaboration
- Problem-solving
- Contribution

[STAGE 2 TITLE]

Three-month review

[STAGE 2 COPY]

High-performing interns may be considered for an immediate full-time opportunity where a suitable role is available.

Other interns may be offered an additional three months to strengthen their skills, contribution, and readiness.

[STAGE 3 TITLE]

Possible full-time opportunity

[STAGE 3 COPY]

A pre-placement or full-time offer depends on performance, role availability, business requirements, professional conduct, and successful completion of the evaluation process.

[COMPLIANCE NOTE]

An internship does not guarantee a full-time offer.

[WEBSITE SUBHEADING]

Who should apply

[VISIBLE ELIGIBILITY POINTS]

- Students and recent graduates ready for full-time participation
- Candidates interested in learning through practical responsibility
- People who can work consistently and communicate clearly
- Candidates willing to receive and act on feedback
- People interested in technology, education, product, business, or operations
- Candidates who can commit to the stated work location, schedule, and duration

[BUTTON]

Explore Internship Opportunities

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M05**

Recommended media type: **3+3 internship pathway animation**

Alternative media type: **Three-stage career pathway illustration**

Placement: Between the introduction and detailed stage descriptions.

Required visual journey:

Join → Learn & Contribute → Three-Month Review → Extend or Convert → Continue Growing

Do not visually guarantee a full-time conversion.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M05 will be inserted here.

Section 6: Current Openings

[SECTION PURPOSE — DO NOT DISPLAY]

Display only active and approved job openings.

[WEBSITE HEADING]

Short role summary

[JOB CARD BUTTON]

View Role

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

Current openings must be managed through a central recruitment or content-management system.

Each opening must have:

- Job title
- Department
- Location
- Employment type
- Experience requirement
- Role overview
- Key responsibilities
- Required skills
- Preferred skills
- Working arrangement
- Application deadline where applicable
- Application button
- Active or closed status

Closed positions must be removed or clearly marked as closed.

Do not show invented or inactive job openings merely to make the page appear active.

[EMPTY STATE — DISPLAY WHEN NO ROLE MATCHES]

No matching role is open right now.

You may submit your profile for future opportunities, and our team can review it when a relevant position becomes available.

[BUTTON]

Submit Your Profile

[MEDIA PLACEMENT — DO NOT DISPLAY]

No major image or video is required in this section.

Focus on clear role filters and readable job cards.

Section 7: Hiring Process

[SECTION PURPOSE — DO NOT DISPLAY]

Make the recruitment process transparent and help candidates prepare.

[WEBSITE HEADING]

A clear and practical hiring process.

[STEP 1 TITLE]

1. Application review

[STEP 1 COPY]

The team reviews the candidate's profile, experience, skills, portfolio, and relevance to the role.

[STEP 2 TITLE]

2. Initial conversation

[STEP 2 COPY]

A short discussion helps us understand the candidate's interests, communication, availability, expectations, and role alignment.

[STEP 3 TITLE]

3. Skills or practical evaluation

[STEP 3 COPY]

Depending on the role, candidates may complete a technical discussion, portfolio review, case exercise, presentation, assignment, or practical task.

[STEP 4 TITLE]

4. Role and culture discussion

[STEP 4 COPY]

The candidate meets relevant team members or leadership to discuss responsibilities, working style, learning ability, ownership, and long-term alignment.

[STEP 5 TITLE]

5. Final decision

[STEP 5 COPY]

Selected candidates receive written details covering the role, compensation, location, working arrangement, joining date, and applicable terms.

[WEBSITE COPY]

The exact process may vary according to the role and experience level.

[HIGHLIGHT LINE]

We look for demonstrated ability, learning potential, professional conduct, and genuine role interest.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M06**

Recommended media type: **Five-step hiring-process animation**

Alternative media type: **Horizontal or vertical process diagram**

Placement: Between the heading and detailed process.

Desktop layout: Horizontal.

Mobile layout: Vertical.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M06 will be inserted here.

Section 8: Working at Classess®

[SECTION PURPOSE — DO NOT DISPLAY]

Provide practical information about the workplace without presenting benefits that are not formally approved.

[WEBSITE HEADING]

What candidates should know.

[VISIBLE INFORMATION CARD 1 TITLE]

Work location

[VISIBLE INFORMATION CARD 1 COPY]

Many roles are based in Hyderabad and may require working from the office. The exact location and work arrangement will be mentioned in each job description.

[VISIBLE INFORMATION CARD 2 TITLE]

Working schedule

[VISIBLE INFORMATION CARD 2 COPY]

Working days and timings depend on the role, team, and employment terms. Candidates should review the specific role description before applying.

[VISIBLE INFORMATION CARD 3 TITLE]

Learning environment

[VISIBLE INFORMATION CARD 3 COPY]

Team members may work across functions, tools, and responsibilities as products and priorities evolve.

[VISIBLE INFORMATION CARD 4 TITLE]

Performance and growth

[VISIBLE INFORMATION CARD 4 COPY]

Growth is based on contribution, consistency, role readiness, business requirements, and the ability to take greater responsibility.

[VISIBLE INFORMATION CARD 5 TITLE]

Professional expectations

[VISIBLE INFORMATION CARD 5 COPY]

Confidentiality, responsible data handling, documentation, timely communication, and proper handover are important parts of the working relationship.

[DEVELOPER NOTE — DO NOT DISPLAY]

Do not list employee benefits, leave policies, incentives, remote-work arrangements, salary ranges, or insurance unless they are approved and applicable to the specific role.

No major media asset is required.

Section 9: Candidate Application

[SECTION PURPOSE — DO NOT DISPLAY]

Provide one application form for full-time roles, internships, and future opportunities.

[WEBSITE HEADING]

[FORM FIELD]

When can you join?

[FORM FIELD]

Are you available to work from the stated location?

[CONSENT CHECKBOX]

I confirm that the information submitted is accurate and consent to Classess® using it for recruitment and related communication.

[PRIMARY BUTTON]

Submit Application

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

When the visitor opens the form from a job listing, prefill the role title and application type.

Do not ask candidates to re-enter information already captured.

Provide clear file-size and file-format limits for resume uploads.

Display a confirmation message after successful submission.

Do not promise an interview or response to every applicant.

Section 10: Frequently Asked Questions

[WEBSITE HEADING]

Frequently Asked Questions

[DEVELOPER IMPLEMENTATION NOTE — DO NOT DISPLAY]

Use an accordion layout.

Display six questions initially.

Additional questions may appear after selecting “View More Questions.”

[FAQ QUESTION]

Can I apply if there is no suitable opening?

[FAQ ANSWER]

Yes. You can submit your profile under “Future Opportunity.” The recruitment team may review it when a relevant role becomes available.

[FAQ QUESTION]

Are internships full-time?

[FAQ ANSWER]

Most Classess® internships are designed as full-time, hands-on programmes. The exact working days, timings, duration, and location will be mentioned in the internship description or offer communication.

[FAQ QUESTION]

Does an internship guarantee a full-time role?

[FAQ ANSWER]

No. A full-time opportunity depends on performance, professional conduct, role availability, business requirements, and successful completion of the evaluation process.

[FAQ QUESTION]

Can students from different academic backgrounds apply?

[FAQ ANSWER]

Yes. Eligibility depends on the role. Opportunities may be available across technology, product, academic, business, marketing, sales, HR, finance, operations, and related fields.

[FAQ QUESTION]

Is remote work available?

[FAQ ANSWER]

The working arrangement depends on the role. Many positions may require working from the office in Hyderabad. Candidates should refer to the specific job description.

[FAQ QUESTION]

What should I include with my application?

[FAQ ANSWER]

Include an updated resume and, where relevant, a portfolio, GitHub profile, project link, presentation, writing sample, case study, or other evidence of your work.

[HIDDEN FAQ QUESTION]

How long does the hiring process take?

[HIDDEN FAQ ANSWER]

The timeline depends on the role, number of applicants, evaluation requirements, and team availability. Selected candidates will receive updates as the process progresses.

[HIDDEN FAQ QUESTION]

Will I receive feedback if I am not selected?

[HIDDEN FAQ ANSWER]

Where possible, the team may provide feedback, particularly after a detailed assessment or internship review. Feedback cannot be guaranteed for every application.

[HIDDEN FAQ QUESTION]

Can I apply for more than one role?

[HIDDEN FAQ ANSWER]

Yes, but candidates should apply only for roles that genuinely match their skills, interests, and experience.

[HIDDEN FAQ QUESTION]

Does Classess® charge candidates any recruitment fee?

[HIDDEN FAQ ANSWER]

No. Classess® does not charge candidates a fee to apply, attend an interview, or receive an employment offer.

Section 11: Final Call to Action

[SECTION PURPOSE — DO NOT DISPLAY]

Close with a simple and meaningful invitation.

[WEBSITE HEADING]

Build something that can improve how people learn and teach.

[WEBSITE COPY]

Bring your skills, curiosity, discipline, and ambition to a team working on meaningful education challenges.

[PRIMARY BUTTON]

View Open Positions

[SECONDARY BUTTON]

Apply for an Internship

[CLOSING LINE]

Come ready to learn. Stay ready to contribute.

[MEDIA PLACEMENT — DO NOT DISPLAY]

Media ID: **CAREERS-M07**

Recommended media type: **Subtle branded team-growth animation**

Alternative media type: **Authentic team photograph**

Placement: Background or side element within the final call-to-action section.

The media must remain secondary to the heading and buttons.

[DEVELOPER PLACEHOLDER TEXT — DO NOT DISPLAY]

Media CAREERS-M07 will be inserted here.

General Developer Instructions

[INTERNAL INSTRUCTION — DO NOT DISPLAY]

1. Do not display any text written inside square brackets.
2. Maintain all section numbers and media IDs.
3. Use the common website footer after the final call-to-action section.
4. Manage job openings from one central source.
5. Do not display inactive or fabricated positions.

6. Do not publish compensation unless approved for the specific role.
7. Do not promise employment, career growth, conversion, or interview selection.
8. Make internship terms clear before application.
9. Do not collect unnecessary sensitive personal information.
10. Store candidate information securely and restrict access.
11. Include candidate-consent language in the form.
12. Allow candidates to request deletion of recruitment information where applicable.
13. Every video must have a poster image.
14. Every animation must have a reduced-motion alternative.
15. Videos must not autoplay with sound.
16. Use authentic workplace media where possible.
17. Do not use misleading stock photographs or fabricated employee testimonials.
18. Ensure the page works clearly on desktop, tablet, and mobile.
19. Make job cards and application forms keyboard accessible.
20. Clearly mark jobs as open, closed, or no longer accepting applications.
